Take Action Now on Toxic Exposure: Thanks to your action in March, the *Honoring our PACT Act* passed the House with a broad bipartisan vote. Now it is time for the Senate to do its job. This historic legislation would ensure toxic-exposed veterans receive the VA health care and benefits they need. It would provide a list of presumptive conditions associated with burn pits and establish a permanent presumptive framework to address any toxic exposure, foreign or domestic, past, present, and future. It would help Post-9/11 veterans, Persian Gulf War veterans, K2 veterans, Atomic veterans, and Vietnam veterans, including those who served in Thailand, Cambodia, and Laos. Contact your Senators and tell them to vote YES when the *Honoring our PACT Act* is brought to the Senate floor. [Click to take action!](#)

Student Veteran Enrollment Verification: Students receiving Post-9/11 GI Bill housing payments are required to verify enrollment to VA by the end of each month. Students may opt-in to text message verification to ensure seamless receipt of their Monthly Housing Allowance (MHA) payments. [Learn more](#) about the enrollment verification process.
