VFW Briefs DPAA on Recent Southeast Asia Site Visits:

VFW Junior Vice Commander Tim Peters and staff from the VFW Washington Office visited with Kelly McKeague, director of the Defense POW/MIA Accounting Agency (DPAA), to provide a briefing on Peters' recent visit to recovery sites in Thailand and Vietnam. The VFW has long-standing resolutions in support of DPAA's mission to provide the fullest possible accounting of our nation's missing, which is why VFW leaders routinely visit with the DPAA Detachments overseas to see firsthand how American service members, partner organizations, and local nations work to bring missing American service members home. Peters also took the opportunity to explore ways in which the VFW could provide further coordinated support to DPAA's mission in the coming years.
