

2026-2027 UNITING FOR VETERANS GRANT

In 2018 the VFW joined forces with Humana to establish the Uniting to Combat Hunger (UTCH) campaign. As of October 2024, the initiative has raised the equivalent of more than 4.5 million meals to address food insecurity in America. In the 2024-2025 year, we expanded the program in support of an additional underserved veteran population: Veterans experiencing homelessness. VFWF is proud to work with Volunteers of America (VOA), who has been helping to address homelessness for more than a century through programmatic solutions. To help support VFW Posts and Auxiliaries address food insecurity and homelessness in their communities, the VFW Foundation has created the Uniting for Veterans Grant. This grant is a matching donation grant. For every point earned in the manner listed below, a matching donation will be made to the food insecurity or homelessness relief organization.

Points can be earned by doing the following:

FOOD INSECURITY

- 1 point will be awarded for each pound of food donated to an external nonprofit organization that provides free food to their community.
- 1 point will be awarded for each \$1 donated to an external nonprofit organization that serves food insecure individuals in their community.
- 1 point will be awarded for every \$1 spent purchasing food for a VFW Post/Auxiliary Post food pantry.

HOMELESSNESS

- 1 point will be awarded for every \$1 donated by a VFW Post/Auxiliary to a local nonprofit organization that houses the homeless, the VFWF will award 1 point.
- 1 point will be awarded for every \$1 spent purchasing items such as hygiene items, clothing, etc., to donate to a homeless shelter
- While not required to do so, applicants are strongly encouraged to partner with their local Humana associate(s) on Uniting Veterans activities. The VFWF also advises to work with local VOA teams in helping to solve homelessness by identifying a local agency at www.voa.org/services/services-homelessness/, but Posts/Auxiliaries may work with a shelter or housing assistance organization of their choice.

GRANT PERIOD

The grant will open in September 2026, and close on June 1, 2027. If all budgeted funding is exhausted before that time, the grant will close sooner. If applying after March 1, 2027, it is recommended send an email to mspencer@vfw.org to confirm that funds are still available.

- Proving Project Completion –
 - - If a Post or Auxiliary makes a cash donation to a homeless or food insecurity abating organization, they can prove the donation in one of two ways:

If donating to an organization whose name does not make clear the purpose of the donation, writing something such as "homeless" or "food insecurity" on the memo line should be included for clarity.
 - If a Post or Auxiliary makes an in-kind donation of food or items to a homeless or food insecurity abating organization, they must obtain a receipt from the recipient organization that names their Post or Auxiliary as the donor. When making a donation of food, the receipt must specify the weight of the food. If making a donation of items, the receipt from the organization donating to must specify an estimated value of the items. The Post or Auxiliary must submit copies of the receipts of purchased items along with their application. VFWF advises showing the recipient organization the receipts obtained from purchasing the items.
