WE STAND FOR VETERANS.

You Belong Here

As the nation's largest organization composed entirely of veterans who've served in a foreign conflict, VFW membership spans the globe with thousands of Posts worldwide. We're an elite group of proud veterans who continue watching each other's backs long after the fight is over.

Camaraderie. Friendship. People who understand you. You'll find it all as a member of the VFW.

We support our brothers and sisters in arms, on the front line and here at home. There's a sense of pride in knowing that through your VFW membership, you're continuing a tradition of comradeship and advocacy that's more than 125 years old.

Currently, Vietnam veterans represent the largest portion of VFW members. However, more than half of our new members since 2005 have been age 39 and younger. In addition, women veterans are one of the fastest-growing groups in our ranks.

With thousands of Posts in the U.S. and overseas, you can always find a place to belong among those veterans who have shared your experiences. No other veterans organization can match the VFW's commitment to our nation's veterans and those currently serving.

Taking Care Of Our Own

Veterans have always watched out for each other. When veterans of the Spanish-American War returned home in 1899, there was no guarantee of medical care, no veterans' pension, and many veterans and their families were left to fend for themselves after their sacrifice. A visionary band of veterans formed what would eventually become the Veterans of Foreign Wars, and through hard-fought determination established the veterans benefits we enjoy today. We exist to protect and defend those who have sacrificed for our nation. You've earned that.

A nighttime photograph of the United States Capitol building in Washington, D.C. The building is illuminated with warm white lights, highlighting its classical architecture, including the large dome topped with the Statue of Freedom. The sky is a deep, dark blue. In the foreground, the steps and lower levels of the building are visible, with some streetlights and interior lights glowing. A semi-transparent yellow banner is positioned across the lower third of the image, containing the text "ADVOCACY FOR VETERANS" in white, bold, sans-serif capital letters.

ADVOCACY FOR VETERANS

Fighting For You

We strategically put our legislative muscle to work on Capitol Hill every day. Standing up for your rights. Fighting to protect funding for critical veterans' programs. Mobilizing grassroots support to create a citizenry of informed, engaged veterans' advocates. Getting the job done. Everything we do on Capitol Hill is with the VFW's priority goals and veterans' well-being in mind. With the strength of our members and their families behind us, our voice on "the Hill" cannot be ignored, and we will continue the fight for our fellow veterans.

VFW leadership testifies regularly before Congress. As a united voice for veterans everywhere, we make our voices heard on legislation and proposals that affect you.

Our grassroots lobbying efforts are carried out by the Action Corps. VFW's Action Corps influences the passage or defeat of legislation in the best interests of veterans and service members by writing, visiting and calling congressional officials. To find out more, visit vfw.org.
