Why should I use OMS?

OMS is a quick and easy way for you, as the Post Quartermaster, to handle all reporting of membership to National Headquarters, as well as maintain information on members of your Post. Membership renewals, Memstats, and the post-election report are just a few features available to Quartermasters with OMS access.

If you don't have an online account, we strongly advise you begin today through ID.me registration. Quartermasters who have an ID.me account do not have to request a Quartermaster's pin; all Post Quartermaster services are instantly available.

However, if you already have an OMS account (that's not associated with ID.me), you'll still have to submit a request for a pin. Once this pin is received and applied, you'll be granted full access to your quartermaster services.

How to create an account using ID.me

Wait a minute. What is ID.me and why should I use it?

The security benefits of ID.me is this: online identity protection and verification. In other words, ID.me's main function is to verify *you are the person you say you are*. To learn more about ID.me verification, visit ID.me's official support page at wallet.id.me/individuals/group-discounts/military

To get started, follow the instructions below.

- Go to vfw.org and click on login in the upper right hand corner. The Member Login screen will appear.

- Click **ID.me** under **Are you a new user?** to begin enrollment. For step by step instructions for enrollment, select the **Video Tutorials for ID.me** link on the same page.

Post QM Services: A General Overview.

Post QM services provides you with all the necessary tools to perform your membership responsibilities online. Membership renewals, new member applications, and membership contact updates are all available in Post QM Services. Through this brief overview, you'll gain a basic understanding of how Post QM Services makes your routine, membership tasks easier and more efficient.

Post QM Services: General Features

- **Renew Members:** Renew Annual dues for members of your Post.
- **Transfer Member:** Use this function to transfer both Paying and Non-paying members from another Post.
- **Decease a Member:** Update members who have been reported deceased.
- **Request Duplicate Card:** Request a replacement membership card for members of your Post.
- **Member Contact Info:** Update member mailing address and contact info as requested.
- **Undeliverable Addresses:** Checking undeliverable addresses is useful for knowing which members may not be receiving VFW correspondence.

- **Convert to Legacy:** Convert an existing member to Legacy.
- **New Member Form:** All information from a new member application can be entered and submitted here for processing.

Post QM Services: Renew Members

There are two options for member renewals that can be chosen: **Single Renewal** and **Multiple Renewals**.

The Single Renewal option is available for member renewal's made by the member's credit card. When a member pays through this method, they're paying for all fees upfront (National, State, and Post). The amount due to the post will be paid back through direct deposit, which is done monthly.

Example: Post (\$10.00) + State (\$8.50) + National (\$21.50) = \$40.00.

Renew Annual Members

Single Renewal: \$40.00

To renew dues for a single annual member for the full post dues amount using the *member's credit card*, click [here](#).

Multiple Renewals: \$30.00 (each)

To renew dues for one or more annual members using the *post credit card or payment profile*, choose the years in which to display unpaid members below.

Display unpaid members for the following years:

☐ 2020 & Prior ☐ 2021 ☐ 2022 ☐ 2023 ☐ 2024

[Get Unpaid Members](#)

All renewals made by a member's cash payment, or the post itself, including single member renewals, must be made through the Multiple Renewals option. Since the post is covering the post fees of these members, the post fee amount is not calculated in the fee listed below. Only the dues share to VFW National and the State are being submitted.

Likewise, members who pay their dues directly to the post will also be processed under **Multiple Renewals**. In this scenario, only the dues owed to VFW National and the State are being processed here; the post has already received the post dues from the member.

Below is a processing example for both scenarios.

Example: State (\$8.50) + National (21.50) = \$30.00

To pull up the members who need to renew, Select the year in which the member will expire, and then click on Get Unpaid Members to bring up the list.

Post QM Services: Transfer Members

Not to be confused with the **New Member Form**, the **Transfer a Member** function allows you to transfer both paying and non-paying members into your post.

Transfer a Member

☒ Non-Paying Transfer

☐ Paying Transfer

ENTER A MEMBER'S LAST NAME OR CURRENT POST

Last Name:

OR

Current Post:

AND

Non-paying transfers consist of Life and Annual members paid for the current membership year, whereas the paying transfers option is reserved for paying annual members or those converting to life or installment life. All you need for the transfer is the member's last name or Post number, and their current membership number. If you need assistance finding this information, call VFW National Headquarters at our toll-free number: 1.833.VFW.VETS (1.833.839.8387)

Post QM Services: Convert to Life

Anyone eligible for VFW membership also has the option of becoming a Life member. By opting for Life membership, individuals can save a significant amount compared to renewing annually. The Life member fee is determined using the applicant's attained age as of Dec. 31 of the calendar year in which the application is submitted.

LIFE MEMBERSHIP FEE SCHEDULE			
<u>Age as of December 31st</u>	<u>One-Time Payment</u>	<u>Life Membership Installment Plan</u>	
		<u>Initial Payment</u>	<u>11 Payments of</u>
Through Age 30	\$425.00	\$45.00	\$38.64

71-80	\$225.00	\$45.00	\$20.45
81 And Over	\$170.00	\$45.00	\$15.45

The Convert to Life option allows you to easily upgrade an existing member through the OMS.

Convert Member to Life

ENTER A MEMBER NAME:

OR

ENTER A CARD NUMBER:

Search for Member

All you need is your member's card number to proceed. Once the member's name and membership information is pulled up, you'll be provided with the option to pay for the upgrade through the Post, or current member's payment information.

Also, the Convert to Life option provides the member the choice between paying for a full Life membership, or enrolling in the **Life membership installment plan**. An email address must be provided for the member, so that the **Life member installment agreement** reaches their inbox.

Life Membership Installment Plan

The Life membership installment plan allows a new member, or current annual member to obtain a Life membership by paying in installments.

A prospective member or a current annual member can join this plan, at any time of the year, by making an initial payment of \$45.00. *This \$45.00 keeps the member in good standing during the installment period and is not deducted from the Life membership fee.* After the initial payment, the member will have 11 monthly payments.

Upon enrollment, the member will receive an annual membership card. Once the Life Membership is paid in full, the member will be issued their Life membership card.

New members processed under the life member installment plan by the Quartermaster, will receive an email that requires them to complete the enrollment process. If the member fails to accept these terms within 15 days, the life member installment plan cancels and they are processed as an annual member.

Existing members who are processed under the life member installment plan by the Quartermaster, will be sent an email to complete the enrollment process. If the member fails to accept these terms within 15 days, the life member installment plan can not be processed, and is canceled.

As an alternative, and to avoid delays in processing, Quartermasters are encouraged to send completed enrollment forms to the National Headquarters for processing. This allows the proper documentation (terms & conditions) to be on file for the life of the plan.

Additional ways a member can enroll in the Life member Installment Plan:

- **Quick Renew:** This can be accessed by the member through our website www.vfw.org, the VFW app, or membership renewal emails/texts.
- **Log in to Their OMS Account:** Once logged in, the member can select Become a Life Member under the Membership Quick Links.
- **Member Service Center:** Members can call an MSC Advisor to initiate and complete enrollment. Our advisors can be reached by calling Member Services at 1.833.VFW.VETS (1.833.839.8387).

New Member Form (New Member Application)

- New member applications can be downloaded and mailed in, or submitted through the OMS in Post QM Services. To access the New Member online, select **Post QM Services** and click on the **New Member Form** option at the bottom of the menu list. On the next page, the VFW Membership Application will appear.

- This feature will allow you to submit your complete member application through the OMS. You'll be provided with the option to pay for the applicant through the post or by applicant payment.
- New members can join as an annual member, a Life member, or as an annual member on the Life Member Installment Plan. The paper form of the New Member Application is still available for download in the **Membership Recruiting & Retention** section of **VFW Training and Support**.

MemStats (Membership Statistics) - the MemStats report represents the numeric count of all payments processed and credited to your Post, District or Department for the current dues year. A Member transfer will be counted with the previous post if they have been a member for less than a year.

Post Query

Consider Post Query to be your most resourceful tool in uploading specific Membership Reports in real time. Post Query generates reports in three main categories: Memstat Counts, Post Counts and Unpaid. Below is a brief description of each category:

1. The Memstat Counts allows the Quartermaster to reconcile the total count credited to the Post. This is achieved by clicking each blue numeric total shown below each column heading.
2. The Post Counts is a current register of active Post members. This report does not list deceased members, transfers out, or canceled memberships. Any of these could have paid dues that have been credited to your Post for the current dues year prior to their inactivation.
3. The Unpaid section breaks your unpaid membership down by length of time and reflects deceased members.

Memstats Counts (paid for 2023)								
Life 529		New 8	Reinstate 4		Cont. 95	Total 636	Prior Year 663	Percent 95.92%
Post Counts (members in good standing)								
Life 517	New 6	Reinstate 3	Cont. 88	Expiring 42	Cont. Trans. 2	Non-Pay Trans. 3	Installment 4	Total 665
Unpaid								
Unpaid 1 Year 18		Unpaid 2 Years 2		Total Unpaid 20		Complete Roster 685		Deceased 19

Choose the subcategory of membership you want to generate a report for, and click on the total number of members represented by the blue number (for instance Unpaid 1 Year). A membership roster will appear below the three membership rows.

Each member's name, membership number, mailing address and contact information will appear in the new list. The member's membership type will display as Annual, Life or Continuous (for continuous annual members). Mailing addresses that are undeliverable will appear in red, providing you a scope of which members need to be contacted for address verification.

To make further adjustments to the report, click the download option to download the report into an excel spreadsheet. The download function also provides the ability to export or share the roster in a pdf format. However, if you prefer to print the report as displayed, click the print option instead.

Please note that the Post member report only reflects active membership from the past two membership years. Members who have been lapsed for more than two years can be found in the "Member Contact Information", "Find Unpaid Members" and "Renew Member" selections in Post QM Services. A deceased membership report for prior years must be submitted as an IT request.

National Convention Registration

The submission of your Post registration must be completed in advance of the annual National Convention. Each post is required to pay a registration fee of \$25, which entitles the post to a packet of convention information and materials, and one identified registered delegate.

The easiest way to submit this document is through the National Convention Registration function available through your OMS profile on the online membership system.

Election Report Filing

The submission of the post-election report officially recognizes the transfer of powers of the previous officer to the successor, including the quartermaster. Without the submission of this document, the recent election of new officers will not be officially recognized by VFW National Headquarters.

The easiest way to submit this document is through the Election Report Filing function available through your OMS profile on the online membership system.

- Select the "Election Report" menu on the left, and click on "Post Election Report Filing".
- Select the correct report year and **Hit Go**. The following screen will appear.

The screenshot shows a web form titled "Election Report". In the top right corner, there is a link that says "PRINT THIS REPORT". Below the title is a section labeled "Post Information" with a dropdown arrow. Under this section, there are three input fields: "Post Name:", "Post #:", and "Date of Election:". Below these are two main sections: "Post Meeting Place" and "Post Home Information". The "Post Meeting Place" section contains fields for "Meeting Night(s)", "Meeting Time", "Building Name", "Address", "City, State, Zip", and "Country". The "Post Home Information" section contains a list of checkboxes: "Rent" (checked), "Own", "No Post Home", "Clubroom/Canteen", "Provide Hall Rentals", and "Provide Military Funeral Honors" (checked).

- Complete the form.
- Check the "I certify" box at the bottom of your screen and click the on the **Submit to National** button.

Legacy Membership: Application

The Legacy membership program enables VFW Life members to leave a lasting impression on our great organization. You may also purchase a Memorial Legacy in the name of a deceased VFW member to help future generations know and remember their sacrifice and contributions. The membership will endow additional income, made in the member's name, that will provide a stable financial foundation for your Post and VFW overall.

The Memorial Legacy option allows for a Legacy membership to be purchased in the name of a deceased annual or Life member. Deceased Legacy members can also have their level of Legacy membership upgraded, as long as their existing Legacy membership had not been paid out as a one-time endowment.

To purchase a Memorial Legacy membership, payment must be sent in full for the desired Legacy level (there is no installment option for Memorial Legacy membership).

In addition to the member's information as requested on the Legacy membership form, it is also required that we receive the name and address of the person who will be receiving the Legacy kit, as well as the person to be recognized as purchasing the membership. The full Legacy kit, including an additional certificate of recognition to the purchasing part with engraved Legacy Life card, will be sent out to the address that is provided.

Legacy Life Membership Application

- Select from three categories of membership: Gold, Silver or Bronze, each offering its own package of exclusive benefits. A Life member can upgrade to another level at any time by paying the difference in cost between the two levels.

Important Information

- Monthly cut-off is completed the last business day of each month. All in house dues renewal payments are processed. Since new, reinstated and transfer members may take up to 10 business days for processing, those not completed will be rolled into the next cut-off period. Payments received after those dates are rolled into the next month.
- Annual Dues - payments are made to Posts by electronic deposit only. These are paid monthly for annual memberships.
- Life membership – payments are made 3 times each membership year in September, January and July. These payments are only made to Posts by electronic deposit.
- Life and annual membership cards are mailed directly to the member. If a member's address is listed at VFW National Headquarters as undeliverable, no membership card will be printed. If a membership card is returned by the Post Office as undeliverable, the member's information will show on the online Post Query in red.

- Duplicate payments for annual dues, received from the member or the Post, will be processed and extend the membership “Paid Thru Date.”
- To replace a lost or damaged annual or Life member card, you may go online to the VFW website at vfw.org or call us.
- Aluminum life member cards are available for VFW Life members only and may be purchased through the VFW Store. Personal and Post information is engraved, rather than stamped and is included in the price of the card. Caution: These cards can set off metal detection alarms. Be sure to include your name, life membership number and your VFW Post number. Life membership will be verified prior to production of this card. The cost is \$12 plus S&H. To purchase an aluminum life member card, call us at 1.833.VFW.VETS (1.833.839.8387) or order online at vfwstore.org.
- Life member installment enrollees whose account goes past 120 days without payment will be removed from the installment plan. Previous payments will be left on the members account to be applied towards future annual dues.
- A Quartermaster has both the fiduciary and ethical obligation to the Post, Department and National organization to insure every deceased member (annual and Life) is purged from the Post or department roster in a timely manner.

Note: Change of a member's address to the Post address is not accepted.
