

When VFW members convene **July 16-21 in Kansas City, Missouri**, for the 123rd VFW National Convention, it promises to be one of the biggest events in years. It will mark the first time since 2019 that a full, in-person convention is happening.

The TWA Museum extends an invitation to the VFW members and their Auxiliary to enjoy a complimentary visit and tour. Complete tours run about 1 ½ hours. The Museum is open Wed-Sat, 10-4.
